

Resurrection Sunday 2026

**The same way the Father loves Jesus is the same way He loves us
The Father gave Jesus and all things to us forever!**

Romans 8:32 "He (God) who did not spare His own Son but gave him up for us all - how will he not also, along with him, graciously give us all things?"

In earlier verses The Word is talking about the chosen ones (you and me who have believed), who are called according to His purpose - that all things work out for their good. It is because these people were predestined, and have been justified and glorified.

These people shouldn't be anxious or worried or troubled because if God is for them who can be against them? Sometimes our minds are trapped on worldly issues.

On this resurrection Sunday may our hearts rise above the worldly issues and focus on things above because:

1. God gave us His best - His only begotten Son. To gain us back to Himself, God did not spare his Son. How great is the love the Father has lavished on us to be called His children! Trust God completely. He has the best for His children. Rest in God! God has a complete answer and had already answered our issues. Don't have to wait till the battle is over, I can shout now! Victory is mine! This love applies to every believer for in Christ we are all the chosen generation, the royal priesthood, a holy nation, a people belonging to their God. Patience is tested in us. That's what happened to Abraham. Waited for 100 years to have a promised child. When the child came he was asked to sacrifice him to God which he did! *"Even though God had said to him, 'it is through Isaac that your offspring will be reckoned. Abraham reasoned that God could raise the dead, and figuratively speaking, he did receive Isaac back from death."* Hebrews 11:17-19). I can imagine the confusion Abraham had when he was asked to kill the promised son as a sacrifice contradicting the promises he earlier received. Can God contradict Himself? Isaac was the fondest thing for Abraham. Even the act of killing is off the chart but Abraham did it without hesitation. God tests us to give up what we love most and wait for our obedience even when it contradicts His earlier communication or even if it's crazy. When God brings it back to you, it becomes a great treasure where you place much value. Because you valued God more than the fondest thing, the thing carries the Presence of God and is unchangeable and leaves a legacy. When we obey without using logic, we figuratively attain it and it physically manifests. God can you really trust us like Abraham? The Father of faith? Yes is the answer! Because in Spirit we are Perfectly united with the Father, the Son and the Holy Spirit and in our Born again spirit are seated together with Christ! We have the faith of God when we receive Christ! (Ephesians 2:8-9 'For it is by grace you have been saved, through faith - and this not from yourselves, it is the gift of God- not by works so that no one can boast.') So believe that God gave us the best and loves us so much! And it is God who leads us into acts of faith.

We are justified and made righteous by faith (Romans 3:21 - 4). The death of Jesus was a demonstration of justice (sacrifice of atonement) because in His forbearance he had left the sins committed before hand unpunished. So the just God justifies those who have faith in Jesus. If a wicked man (without works) trusts God who justifies the

wicked, his faith is credited as righteousness (Roman 4:4-5) Abraham's faith is before circumcision so he is the father of all who believe, circumcised and uncircumcised. Abraham never received the promise (heir of the world through Isaac) through the law but by faith. So it is a guarantee to all of us who believe. Against all hope, I must in hope, believe -being fully persuaded that God had the power to do what he had promised.

God used Abraham's template of faith to gain back the human race (His image and likeness), his family. God gave His only begotten Son that whosoever believes in Him should not perish but join the forever family. We are the family of God! And God is not an absent father! Speak with Him as any earthly child would do.

2. "-along with him.." means that whatever we ask comes to us through and with Jesus. Why do we think that Jesus was taken away from us after the cross? Jesus is a guarantee for a better covenant. "But Jesus lives forever, he has a permanent priesthood. Therefore, he is able to save completely those who have come to God through him, because he always lives to intercede for them." (Hebrews 7:24-25) What God did in giving His Son to us is greater than what we ask Him. Firstly, God gave His Son who died on the shameful cross - scandalous death, just for me and all people. Secondly God gave Jesus to us forever - after the cross Jesus was given entirely to us. God never took Jesus away from us but instead Jesus, as the Way, took us into the Father. "And God raised us up with Christ and seated us with him in the heavenly realms in Christ Jesus". (Ephesians 2:6) His blood still speaks for us and as a perfect high priest he still intercedes for us at the real heavenly throne.
3. God graciously give us all things - Whatever you ask in the name Jesus, the Father will give us is the promise! (John 16: 23). Whenever we mention a name, the being manifests so the Father answers Jesus. When we know that we are united perfectly with the Christ and the Father, we have everything we ask for because we ask according to His will -in the Name of Jesus! Romans 5:9-10 says that we have been justified therefore saved from God's wrath! God is no longer angry with his children. Through Christ's death, We are reconciled with God! No more hostilities but deep love of the Father over his children. If God extended His love when we were enemies, what more now that we are His children? Saved through His life! Therefore rejoice in God! Don't have to wait till the battle is over I can shout now! And I say again rejoice!

I will end with this comforting word that you always live in victory and in love as we wait for the Soon Coming King! Let's always watch and pray!

Happy Resurrection Sunday!
